SUMMARY

Computer Science Engineering graduate experienced in building full-stack web applications using React.js, TypeScript, Node.js, Express.js, and MySQL. Skilled in responsive UI development, REST APIs, database integration, and CRUD operations. Experienced in building and deploying web applications with practical project experience. Eager to contribute to real-world projects and grow as a Junior Full Stack Developer.

TECHNICAL SKILLS

PROGRAMMING LANGUAGES:

Java, JavaScript, TypeScript

FRONTEND TECHNOLOGIES:

HTML5, CSS3, React.js, React Router, Tailwind CSS

BACKEND TECHNOLOGIES:

Node.js, Express.js, REST APIs

DATABASE

MySQL, CRUD Operations

TOOLS

Git, GitHub, VS Code

PROJECTS

HomeSpend – Household Expense Tracker | React.js, TypeScript, Node.js, Express.js, MySQL

- Developed a full-stack household expense tracking application with a responsive, mobile-friendly user interface.
- Implemented user registration and login functionality with backend API integration.
- Built REST APIs using Node.js and Express.js to perform CRUD operations on expense records stored in MySQL.
- Developed expense history and monthly reporting features and deployed the application for online access.

Job Application Tracker | React.js, React Router, Tailwind CSS, LocalStorage

- Developed a web application to track and manage job applications.
- Implemented CRUD operations to add, edit, and delete application records.
- Built application search, filtering, and sorting functionality.
- Used React Router for navigation and LocalStorage for client-side data persistence.

Personal Portfolio Website | React.js, TypeScript, Tailwind CSS

- Built a responsive portfolio website to showcase technical skills, projects, and professional information.
- Developed reusable UI components using React.js and TypeScript.
- Implemented dark/light theme switching and responsive layouts.
- Added project browsing and resume download features.

EDUCATION

Francis Xavier Engineering College 2021-2025

B.E-Computer Science and Engineering
CGPA : 7.76 / 10

Spectrum Matric Hr.Sec School 2020-2021

HSC – Computer Science Group
Percentage: 75%

LANGUAGES

Tamil (Native), English (Professional)
