SUMMARY

Computer Science Engineering graduate with hands-on project experience in HTML, CSS, JavaScript, and React.js. Developed responsive web applications and user interfaces using React Router, Tailwind CSS, and LocalStorage. Strong foundation in frontend development, responsive design, JavaScript programming, and Git/GitHub. Seeking a Junior Web Developer / Web Development Internship opportunity to contribute to real-world projects and strengthen practical development skills.

TECHNICAL SKILLS

PROGRAMMING LANGUAGES:

Java, JavaScript, TypeScript

WEB TECHNOLOGIES:

HTML, CSS, React.js

SOFTWARE DEVELOPMENT :

Object-Oriented Programming, CRUD Operations, Database Management

TOOLS

Git, GitHub, VS Code

PROJECTS

Job Application Tracker | React.js, React Router, Tailwind CSS, LocalStorage

- Developed a web application to track and manage job applications throughout the hiring process.
- Implemented features for adding, editing, deleting, searching, filtering, and sorting application records.
- Built multiple pages using React Router for dashboard, application management, and detailed application views.
- Used LocalStorage for client-side data persistence and designed a responsive user interface using Tailwind CSS.

Student Grade Management System | Java

- Developed a console-based Java application to manage student records and academic performance.
- Implemented functionality to add, search, update, and delete student information.
- Automated grade, percentage, and total mark calculations based on subject scores.
- Applied Object-Oriented Programming concepts to create structured and maintainable application logic.

Personal Portfolio Website | HTML, CSS, JavaScript

- Developed a responsive portfolio website to showcase technical skills and projects.
- Designed a modern and user-friendly interface using HTML and CSS.
- Implemented interactive features using JavaScript.
- Optimized the website layout for different screen sizes.

EDUCATION

Francis Xavier Engineering College

2021-2025

B.E-Computer Science and Engineering

CGPA : 7.76 / 10

Spectrum Matric Hr.Sec School

2020-2021

HSC - Computer Science Group

Percentage: 75%

LANGUAGES

Tamil (Native), English (Professional)
